Are you a tyrannosaurus rex?
No
Yes
Are you sure? tyrannosaurus rex walks on two legs and has two arms. Do you walk on two legs and have two arms?
Yes I do.
Okay maybe not.
Are you sure about that?
No I don't.
Yes
I beleve you might be a dolphin, sir.
I shoud've taken T-rex when I had the chance.
I am a dolphin.
Would you like to think again and provide another answer?
Yes. I am a dolphin.
No
I am a T-rex
I think you look like a dolphin. Can we talk about T-rex now?
Okay
No
Dolphins are cool... Well, which geologic period.. would you like to say you were born in?
No
Jurassic, of course.
Wow, you really like dolphins, don't you?
Yes
Really? I did not know that.
Actually, Tyrannosaurus Rex did not live during the Jurassic period. It lived millions of years later, during the late Cretaceous period.
I LOVE DOLPHoIIINNNNNSSSSZZ.
That may be. But I am, and will always be a T-rex in heart nevertheless.
I think you look like a dolphin. Can we talk about T-rex now?
Well, okay. Good bye and have a nice day, sir.
